Business Opportunities.

DOES PROMIBITION REALLY PROhibit? The Legislature is wrestling
with that question now, and will
for some time to come, and the solution is the same as that to the
question. What shall we do with the
"Ann was how old" problem. If
Ann was really as old as she was,
then her husband should have owned
a house before he did, and if she
really was not as old as she was,
then he should have had a home
much earlier; in either case the
same relative conditions existed and
he should have had a home before
he married Ann; and right here is
where we come in—we can arrange
for Ann, or Mary, or Sally, or any
on the easiest terms possible, and
she should see to it that her husband
comes right here and makes the
arrangement to-day; come on down,
and we will tell you all about it
while you wait; the reason that the
13th is unlucky is because you
should have done it the day before—
the 12th. That is the only reason.
If you are in a hurry, whre us; we
have plenty of men; they'll come
at once; we don't pay them any salary; they pay us to let them work
for us; they love the work; thirtytwo on hand at 209 AMERICAN NATIONAL BANK BUILDING all the
time; we have a wireless station
and two steam presses, and as soon
as the building is finished we shall
have a line of airships to bring in
and carry customers; better get in
before the rush. Sabe?

NO MAN EVER MADE A FORTUNE
with his hands; invest your money;

and carry customers; better get in before the rush. Sabe?

NO MAN EVER MADE A FORTUNE with his hands; invest your money; that does the trick; one goed investment is worth a lifetime of hard work; do you want to keep on working with your hands all your life? It's foolish, idie, to think of accumulating anything unless you learn how to invest your hard-earned dollars; thousands of ways to do it; you can invest \$125 right now, today, and it will pay you 40 per cent, and you take no risk whatever; we are meeting people from Missouri every day, and our sales are growing in leaps and bounds; we cater to smart people; it's nerve-fagging to deal with weak people; it really sens harder to sell a perfectly straight, legitimate, safe proposition than it does to fool people into some fake; we are not in business for fun or a pastime, but if we make money you will, too—that is honest and legitimate, and you do not object, do you? Write, wire or come to-day. AMERICAN NATION-AL BANK BUILDING, City, 209.

WHAT DOES IT PROFIT A MAN, IF he owns the whole world and does not have a home to leave his wife and children? We give you an insurance policy on your life, so that if you should die before you have paid for your home, your wife and children have a home of their own; it does not cost you one cent; we pay for life and fire insurance both; all you do is to pay a certain small you do is to pay a certain small you do is to pay a certain small you feel in on the proposition? Get in on the inside; get an interest in the company; you can do it now, but it will be closed in a little while. Do it now; sit down and think about what in your loved ones, and you are a serry white man if you won't investigate, at least. 209 AMERICAN NATIONAL BANK does it.
